# Approved Appraisal Management Companies

## Overview

All appraisals must be ordered through an Appraisal Management Company (“AMC”) by broker/TPO partners. Principal-agent partners may select any AMC for HECM but must use an approved AMC from the list for HomeSafe.

The type of property determines which appraisal form is appropriate. Reference FHA Appraisal when selecting the appraisal forms. Refer to the following table.

Note: Include the FHA Case Number in the notes section of the order.

All second appraisals for HomeSafe are to be invoiced to FOA.

## Lender Company Name and Address:

For brokers, this will always be Finance of America (FAReverse LLC, i//t/n Finance of America, 8023 East 63rd Pl, #700, Tulsa, OK 74133).

For principal-agents, this can be either Finance of America or their company, but it must be consistent throughout the file with the mortgagee.
